COMPATIBLE WITH Nova Launcher

The advertisement features a blue background with a sun and water. On the right, there are three overlapping screenshots of an Android home screen using the Clear Theme Apex Launcher. The top screenshot shows a large digital clock displaying '6:00' and a weather widget for Denver showing '23°C'. The middle screenshot shows a dock with icons for Phone, Messages, Browser, and Camera, and a folder containing various app icons. The bottom screenshot shows a dock with icons for Phone, Messages, Browser, and Camera, and a folder containing various app icons. A red button with a white icon and the text 'COMPATIBLE WITH Nova Launcher' is located in the bottom right corner, next to a blue home icon.
